

# **Escape to the Prison**

**Theme :** Prison

**Pitch :**

You are a prisoner who wants to escape prison. Mais Bob, un ancien prisonnier, te dévoile son plan pour partir de la prison. Mais d'abord tu dois lui faire des tâches pour gagner sa confiance pour qu'il dévoile son plan.

**Story :**

You're a young person who's been arrested for a bank robbery. After being sentenced to 3 years in prison, you find yourself behind bars. Now your only plan is to escape from this prison, but first you have to get out of your cell. With your creative side, you create a crowbar from an iron slat in your bed and a hook you've spotted. You break down the door, then decide to go and see the oldest person in the prison, a man named Bob.

While you're chatting to Bob, he offers to help you escape from the prison, but to do so, you have to show him that you trust him. He gives you various tasks to perform, such as fetching

food or beating up another prisoner. After completing these tasks, Bob reveals his plan, which is to sneak out while he distracts the guards.

While Bob keeps the guards occupied, you decide to sneak out to gain access to the prison's exit door. Finally, you manage to escape.
